

Robot Development

RORZE RR700, RR701, RR711 and RR713 series

RESER has been working on various RORZE robot models for several years now.

We offer repair as well as an extensive Level 1 refurbishment for the following models:

- RR700 (all types of arms)
- RR701 (all types of arms)
- RR711
- RR713

The level 1 refurbishment is beyond the industry standard. For a scope of work or a quotation please contact your local sales representative.

You can expect the same quality standards that you have grown accustomed to from RESER. The RORZE robots are a great addition to the already comprehensive line of robots and robot related refurbishments RESER currently offers.

Interested in more information about this or any of our other products? Please contact your local sales representative or email us at sales@reser.nl
