

New Robot Development

SPTS Omega 201 Robot

We are proud to announce that RESER now offers a new addition to our existing line of robot refurbishments the SPTS Omega 201 robot. This new robot will allow us to better serve our customers and give more opportunities for our customers to utilize RESER's quality repair and refurbishments.

RESER offers comprehensive repair and Level 1 refurbishment (OEM Refurbishment) for the SPTS Omega 201 robot.

You can expect the same quality standards that you have grown accustomed to from RESER. The SPTS Omega 201 robot is a great addition to the already comprehensive line of robots and robot related refurbishments RESER currently offers.

Interested in more information about this robot or any of our many other products? Please contact your local sales representative or email us at sales@reser.nl and we will be happy to assist you.
