

Brooks PR/Equipe | Robot refurbishment

What we do?

RESER is the most specialized company when it comes to the refurbishment of robots. For Brooks PR/Equipe, RESER offers 2 levels of refurbishment. All the PR/Equipe robot, controller and pre-aligner models are supported.

Level 1 refurbishment:

- Full refurbishment (OEM refurbishment)
- Repair off all broken items
- Preventively replace high wear items
- 6 months warranty

Level 2 refurbishment:

- RESER Exclusive
- Preventively replace ALL moving parts
- 12 months warranty

Some of our benefits are:

- High quality refurbishments
- Experienced engineers
- OEM parts and materials
- Readily available parts in stock
- Upgrade options
- Robot exchange program
